

# ADA square & round push plates (4.5")

## Automatic swinging doors

### Features & benefits

- 1/16" thick stainless steel for maximum durability.
- Concealed fasteners to minimize vandalism.
- Complete kits available including plates, mounting boxes, and optional wireless devices for ease of ordering.
- Various text, graphic, and ISA icon options available.
- Compatible with both surface and flush mount boxes.

### Description

ADA 4.5" round and square push plates improve overall access and seamlessly integrate with automatic door operator activation. These ADA compliant push plates are available in a variety of popular design options, including an alternate International Symbol for Access (ISA) icon.

These push plates may be hard-wired to the door operator or connected to dormakaba wireless transmitters.
