

Door limiter

The dormakaba Groom opening limiter is ideal where the use of wall or floor stops cannot be installed.

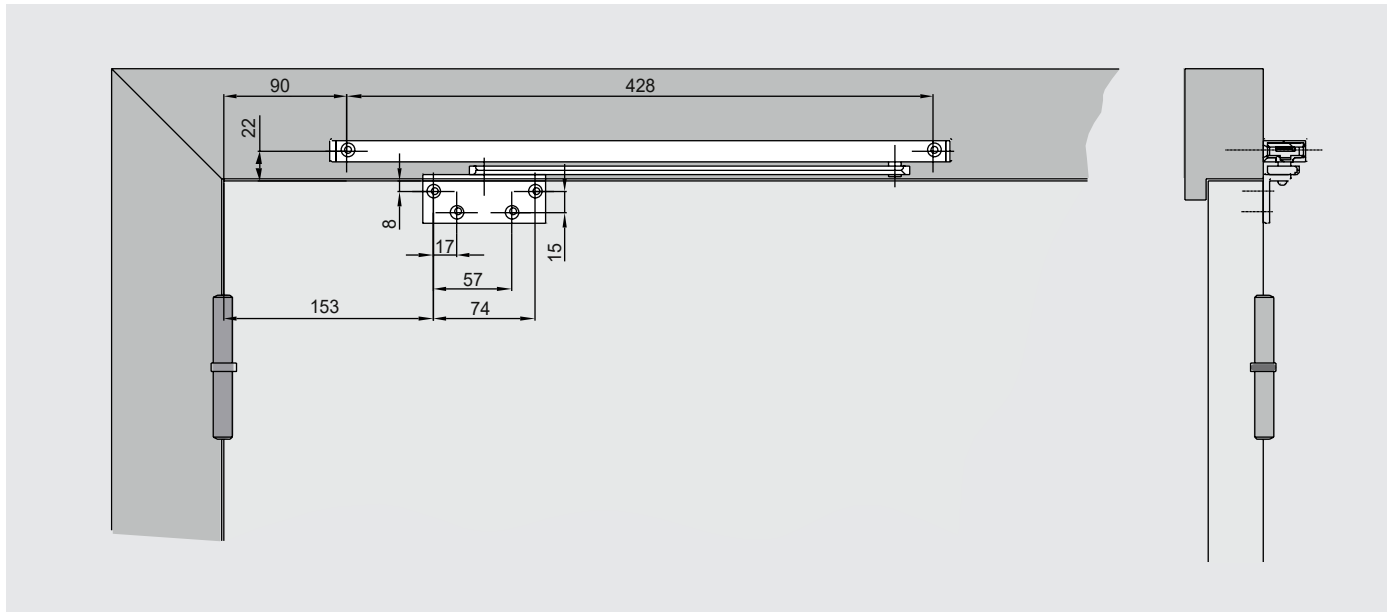

These door limiters provide a selectable and adjustable hold open function or a dead stop function depending on the requirements needed.

Suitable for commercial and residential doors up to 950mm wide and 60kg maximum weight.

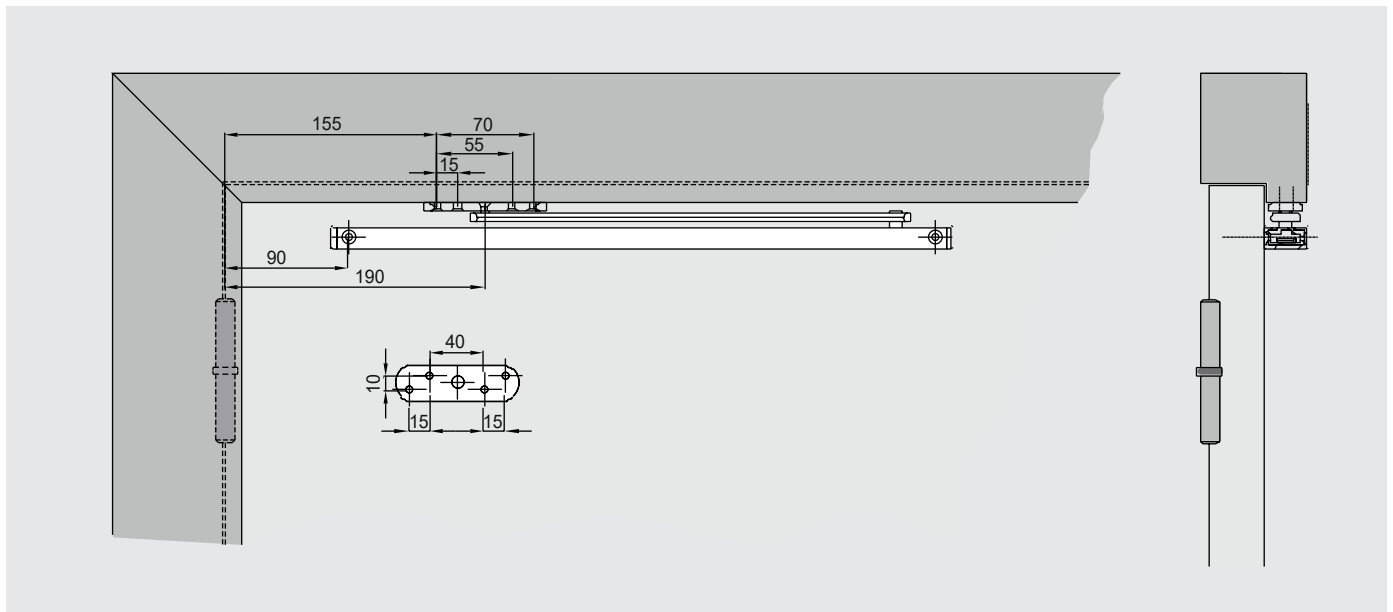

Advantages at a glance:

- Slide channel extruded aluminium with Black nylon end caps.
- Steel arm with a flat or angled fixing plate.
- Two models.
 - push side fixing
 - pull side fixing
- Complete with stopping module and an adjustable strength hold open device.
- Simple and quick installation.
