

# Product Bulletin

**Date: 05/15/2019**

**Product: LA GARD SmartLinc Safe Lock System**

**Subject: End of Life for SmartLinc 9030 and 2Q Locks**

**Bulletin #34**

The LA GARD SmartLinc Safe Lock System has entered its end-of-life phase and will be discontinued once current inventory is depleted.

Standard warranty will continue to be provided for the 4300, 6040, 6034, and 6441 2Q (SER44) locks, along with the SmartLinc 9030 entries and peripherals.

dormakaba will also continue to offer software technical support for SmartLinc & Total Audit software.
