

Lock levers and finishes

Guide

Selecting the optimum lever design and finish for hotel doors enhances a property's décor. Beyond the security and operational aspects of your lock, appearance adds character and is the first thing your guests will notice when entering their room. dormakaba's RFID electronic locks are offered with a variety of ADA compliant levers and are available in various architectural finishes that harmonize with most any hotel décor.

dormakaba is a leading innovator of premium access solutions that provide safety, security, and unmatched performance for businesses of all sizes. At the heart of our approach to providing advanced access solutions is a passion for developing systems that offer a variety of door hardware and access control options. Compliant, welcoming and comfortably accessible building entrances, perimeter access points, and interior doors ensure safety and operational efficiency.

Lock levers and finishes in this guide are for the following dormakaba locks:

- MT RFID
- QuantumIV
- Quantum RFID
- Quantum Pixel

Norse 			x	x						
Oland 			x	x						
Rustov 	x				x	x	x	x	x	x

For any other levers, finishes, etc., please contact your dormakaba sales representative. Actual finish may vary.

Custom levers and finishes

NON-CANCELABLE / NON-RETURNABLE PRODUCT AGREEMENT

*Agreement form to be completed by dormakaba Sales Representative

Sales order number	Lever Part Number/Name	Finish	Total Qty of levers (2 per lock)	Estimated ship date (lock to customer) Subject to confirmation

The above mentioned custom item and/or purchase order may not be cancelled, returned, or rescheduled without the express written consent of dormakaba Canada, Inc. Any estimated delivery is an estimate only and may be subject to change. A change to the delivery date will not mitigate buyer's obligation under this agreement.

Lead-time is subject to supplier's confirmation with each order submission. Lead-time for lever orders does not include production assembly. Lead-time begins once the non-cancelable/non-returnable product agreement form has been approved by dormakaba Canada, Inc.

Receipt of your signed acknowledgement below is required for dormakaba to accept/proceed with your order.

Note: dormakaba recommends an additional 10% stock be ordered for lock repair/replacements or additional lock orders. Custom levers are not stocked items. Custom levers are produced based on special order requests and generally carry a minimum order requirement of 500 pcs.
