

## LA GARD 700 Series Model 705

## **LA GARD 700 Series**

LA GARD has been an industry leader in the safe lock sector for nearly a half century. The LA GARD 700 Series embodies the original tried-and-true features and long legacy of LA GARD's high-security functions along with advanced technological features. The new LA GARD line is a true harmonization effort of hardware and software across the platform featuring a modernized interface in both appearance and technology.

LA GARD an iconic name that you know and trust — now dormakaba I A GARD<sup>TM</sup>

The LA GARD Basic, ComboGardPro and AuditGard have been elevated and are now embodied in the new LA GARD models 701 and 702, which is now available with display. The advantages of Smartlinc II have been included in the 704/704B models and other advanced features are available in our 703/703B,704/704B and our flag ship model, the 705.

## **Key Features**

**Security:** the ultimate in state-of-the-art electronic safe locks designed to support the ever-changing needs of today's world

**Efficiency:** lower total cost of ownership, fewer battery changes, ease of use, simplified inventory management

Confidence: from a name you know and trust

**User Experience:** unified software platform, feature-rich OLED display, simplified user-prompts

**Reliability:** confirmed by third-party Reliability Test lab; certified by VdS, UL, EN1300, SBSC, CNPP a2p

**Excellence:** quality commitment backed by 2 year warranty; world-class support, modern dormakaba design aesthetic
