LA GARD 700 Series

LA GARD has been an industry leader in the safe lock sector for nearly half of a century. The LA GARD 700 Series embodies the original tried-and-true features and long legacy of LA GARD high-security function along with advanced technological features.

The LA GARD Basic, ComboGardPro and AuditGard have been elevated and now embodied in the new LA GARD models 701 and 702. Featuring a modern interface both in appearance and technology, the 700 Series incorporates the same reliable security features and functions of LA GARD — a legendary and iconic name that you know and trust — now dormakaba LA GARD™.

Key Features

Security: the ultimate in state-of-the-art electronic safe locks designed to support the ever-changing needs of today's world

Efficiency: lower total cost of ownership, fewer battery changes, ease of use, simplified inventory management

Confidence: from a name you know and trust

User Experience: unified software platform, feature-rich OLED display, simplified user-prompts

Reliability: confirmed by third-party Reliability Test lab; certified by VdS, UL, EN1300, SBSC, CNPP a2p

Excellence: quality commitment backed by 2 year warranty; extended warranty available, world-class support, modern dormakaba design aesthetic
