K2 Forge Vehicle Remotes

Remotes enhance your automotive key services. With the K2 Forge program from Kaba Ilco Corp., you will have the capability of providing remotes on demand for hundreds of car models while inventoring only 5 SKU's. This includes one "Multi Remote" which will provide your customer the convenience of a single remote operating two vehicles.

You will have broad coverage (makes/models) with minimal inventory. For just a modest investment, this remote package will quickly provide a return on your investment and yield maximum profits.

Remotes are a perfect addition to increase your add-on sales in your automotive key center.

- **5 SKU's covers 2,100+ make/model years (including Chrysler, Ford GM ... PLUS Honda/Acura, Nissan/Infiniti, Toyota/Lexus/Scion, Subaru, Audi and more.**
- **Covers current model years**
- **19 button configurations (lock, unlock, panic, trunk, power slide doors, remote start, etc.)**
- **One "Multi Remote" provides customer convenience of a single remote for two vehicles (all makes/models in the program)**
