

Product Announcement

LA GARD Series

Important Safe Lock Product Announcement

The [LA GARD 700 Series](#) embodies the original tried-and-true features of our industry-leading safe locks with high-security functions as well as advanced technological features. The 700 Series includes a range of entry-level to advanced offerings to fit almost any safe lock need.

Key benefits of the LA GARD 700 Series

- More robust security
- Field upgradable
- One lock body for all keypads

With the successful release of our enhanced LA GARD 700 Series platform and its direct one-for-one functionality replacement of our legacy platform, we are announcing the End-of-Life strategy of the Legacy LA GARD platform.

Legacy LA GARD solutions to be discontinued

- Legacy LA GARD Basic Series
- LA GARD 39E
- AuditGard Series 66E and the Supra
- 5715 Keypad (all colors), 5750 (all colors), 5750-K (all colors), 3000, 3125, 3035 and 3047 (all colors)
- All accessories and software

Orders for the legacy platform will be accepted up to January 31, 2024, with our last shipping date on April 1, 2024. Legacy LA GARD solutions are to be discontinued.

Below is the one-for-one replacement mapping of Legacy LA GARD to the 700 Series Platform:

Transition of LA GARD Locks	
LG Basic	700 Basic
Combo Gard Pro/39E, AuditGard/66E, Supra, 3000, 3125, 5750 and 5750-K	702/702D
AuditGard/66E with Dual Credential Replacement	703B/704B
SmartLinc II	705
